Chair
Federal Communications Commission
1919 M Street, NW
Washington, D.C. 20554

Dear Mr. Kennard:

At the City Commission meeting of January 13, 1998, the Commission received a request from supporters of the KAW Radio Station (89.9 FM) to support their request for a waiver from the Federal Communications Commission. It is our understanding that KAW Radio has requested the waiver to allow for its legal operation, and the City Commission agreed to support this request.

The City Commission has received copies of several letters of support from citizens and local groups indicating community support for the KAW Radio Station. These letters and information supplied from KAW Radio provide support for the position that KAW Radio is a beneficial service to the Lawrence community.

Sincerely,

Bonnie S. Augustine
Mayor
